

Singapore Royal Rangers Junior Training Camp

Mar 17 - 20, 2010

“Faithful to God – The Life of Joseph”

GOALS

1. To train and prepare Royal Rangers young men/women for leadership roles in the local outpost.
2. To learn the importance of the patrol system and how they, as leaders, can promote the outpost and an esprit de corps among boys.
3. To learn specific skills corresponding to advanced merit skill requirements. Trainees will partially or entirely complete one or more merits at each camp. JTC graduates will complete all requirements for the Cooking and Compass merits and will complete most of the requirements for the Nature Study merit.

THE PLAN

The Camp will be conducted in an appropriate indoor and/or outdoor setting. The trainees will be divided into small groups. These groups will camp together as patrols at individual patrol camp-site. The participants will live in tents, cook their food over a campfire (lunch and dinner each day), and share in patrol tasks and leadership responsibilities.

Throughout the day, the trainees will receive trainings in various skills. Night time sessions on other subjects like Professional Image of a Young Leader, Manners, Time Management, and Events Planning will be taught.

SPIRITUAL DEVELOPMENT

JTC is purposefully designed with the intent of creating an environment where trainees can discover more about themselves personally and recognize the purpose God has for them spiritually.

JTC will have a central spiritual theme of “Faithfulness to God” which will be developed through a variety of different means. The goal is to help develop a central thought in depth through a purposeful plan of individual Bible reading, scripture memory work, appropriate age-level devotions, and evening council fire service. All of these times of spiritual growth will build upon each other, with the result being a very purposeful and in-depth focus.
